

**Book Review:**

**"No Contacts? No Problem! How to Pitch and Sell Your Freelance Feature Writing" by Catherine Quinn, Methuen Drama, Mar 2010**

**Edward Tsang 2010.03.12**

---

This book provides practical guides. It teaches you how to write to editors to get jobs commissioned. It also teaches you how to negotiate your fees and finish the articles. In fact, it teaches you every aspect in between. The book itself is easy to read. Advices are direct and sound. For example, Quinn does not pretend that everyone can publish: she tells you that you need to have ideas that are worth publishing; you need to have ideas better than others. This is a book that anyone who wants to start freelance should read.
